1. Your doctor prescribed Sucraid® (sacrosidase) Oral Solution by using the Sucraid® Enrollment Form.

Note: Currently, Sucraid® is only available under an Informed Consent process. Therefore, your doctor must complete a Physician Acknowledgement Form in order for patients to receive Sucraid®. Instructions for completion are on www.sucraid.net.

2. If you have not filled out the Sucraid-ASSIST™ Enrollment Form, you must do so. **Go to sucraidassist.com for additional information.**

3. Your SucraidASSIST™ Case Manager will ensure you and your doctor have completed the necessary documents, review your insurance benefits and offer financial assistance as needed. Upon completion of these tasks, the Sucraid-ASSIST™ Case Manager will transfer you to Accredo Specialty Pharmacy to set up shipment of Sucraid®.

4. Accredo Specialty Pharmacy

Note: Sucraid® is only available through Accredo Specialty Pharmacy. Sucraid® is not available through a neighborhood retail pharmacy. Accredo will set up shipment of Sucraid® directly to your home or physician's office.

5. Sucraid® is shipped directly to you on ice.

accredo®

1. When your final bottle of Sucraid® is half-full, you should call One Patient Services to start the refill process. Because Sucraid® is only available under an Informed Consent process, forms are required for each lot. It is possible that your next refill may not be part of the same lot as your current medication. If this is the case, you will need to fill out new consent forms when you are

ready to refill your prescription. Current consent forms can always be obtained by calling One Patient Services or by downloading them from www.sucraid.net.

2. Your SucraidASSIST™ Case Manager will ensure you and your doctor have completed the necessary documents, review your insurance benefits and offer

financial assistance as needed. Upon completion of these tasks, the Sucraid-ASSIST™ Case Manager will transfer you to Accredo Specialty Pharmacy to set up shipment of Sucraid®.

3. Accredo Specialty Pharmacy will set up a refill shipment of Sucraid® directly to your home or physician's office.
